SELF DESCRIPTIONParent's Opinion

My parents see me as a good child who is very obedient. They see me as a bright child who will bring name and fame to the family. They see my helping nature towards my siblings and appreciate my concern for them. They think that I am thoughtful for my family and will help them in times of need.

Teacher's Opinion / Superior's Opinion

My teachers think of me as a responsible student who is serious towards ~~his~~ academics. They see me as a good group worker who can mix with others easily. Hence they used to ~~shoulder~~ <sup>entrust</sup> me with responsibilities of organising and coordinating various events. They appreciate my participation in extra curricular activities such as vidic Maths quiz club, school parliament etc.

SELF DESCRIPTION-IIClassmate's / Colleagues Opinion

My friends think that I am a loving and straight forward person. We help each other not just in studies but also in personal problems. We love to go on cycling trip with each other and love to play games like Cricket and badminton.

What Kind of A Person I Am

I believe that I am an obedient, punctual and responsible person. I always treat my elders with respect and always eager to learn from them. I like to socialise with new people and talk to them about daily life.

What Kind of A Person I Would Like to Be

I want to become an army officer and make my country and family proud. I want to become a man who is physically and mentally strong for which I do yoga and meditation.
