90

V.Good
Fit to 4 ✓
All tests ✓

1.

Ram was a 23 year old college student pursuing B.Tech in Delhi. He was a very curious person who always liked learning new things. So when his college was making a quiz team he entered his name. He prepared hard for it and got selected in the team. As there was an upcoming competition, Ram started preparing for it with his team. He would go to the library and get books to increase his own and his teams knowledge. He also read the newspaper everyday and watched the news to keep up with current affairs. On the day of the competition Ram and his team gave their best and won first place. Ram was made the captain and went on to lead his team to Nationals where they won first place.

2.

Rohit was a 24 year old civil engineer from Himachal. He was posted in Delhi. Because of his talent he was hired by NHAI to construct a bridge in Himachal as they were making highways to connect villages. Rohit took the task, & he recruited a team, looked at aerial images and gathered construction materials and equipment. He went to the village and talked to locals who were happy that their village would be connected to main city and the kids told him they had to walk 2 kms to go to school. With hard work and dedication,

He completed the project in 4 months² and was thanked by the villagers.

3.

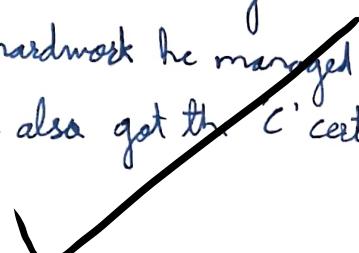

Rohan was a 25 year old student studying agriculture in Meerut. When he visited his native village he noticed that all the farmers were practicing stubble burning which created a lot of pollution and decreased the air quality of the region. Rohan talked to the Sarpanch of the village and set up a meeting. He explained to everyone the harmful effects of stubble burning and the pollution it caused and suggested alternate methods such as manually removing and retaining stubble. The villagers understood the importance and switched to other methods. This improved the air quality of the area and the village was awarded for zero stubble burning by the government.

4.

Mohit was a 24 year old man who worked for an engineering firm in Delhi. ~~He~~ was the newly appointed head of the sales and marketing department of his company and was tasked with getting a large client which would greatly increase the company's business. He started preparing for this. He made a list of important talking points and practiced them over and over. He also made a presentation showing benefits of joining his company and set up an appointment with the client. On the day of the meeting he was bold, confident and convincing and managed the client to do business with the firm. This was a huge win and he was praised by his coworkers.

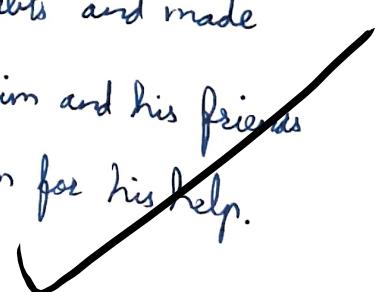

5.

Mohit was a 17 year old NCC student who studied in 12th class in Delhi. He was a outdoor person who liked exercise. When his school organised NCC camp, he eagerly participated. He was also preparing for his 'A' certificate and trained and studied everyday. At the camp he was the first to participate in many activities and obstacles such as Burma bridge, rope climb, ditch jump and many more. He was praised by his instructors for his courage and excitement. With hardwork he managed to get his 'A' certificate and later on in college he also got the 'C' certificate

6.

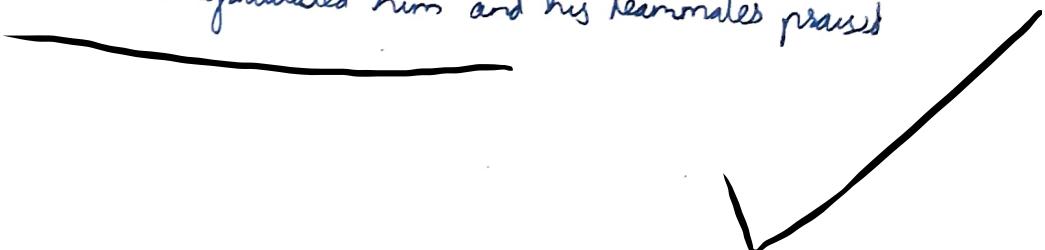

Varan was a 22 year old student studying Computer Science in Delhi. As his examinations were coming up he started preparing hard and studying. He would also use his laptop to research the topic to understand them even better and read books from the library. He also helped his friends to understand topics and clear doubts and made a fixed routine. With dedication and hardwork both him and his friends scored well in the exam and his friends thanked him for his help.

7.

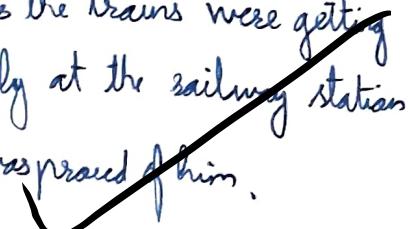

Arun was a 18 year old boy studying in 12th class. He was the sports team captain of basketball team. His team had an upcoming match at state level. He made a practice routine for the team and trained everyday. He also went for runs to stay fit and increase stamina. He made a game plan and briefed his team.

On the day of the match he motivated his team and led them to victory. Appreciating his hard work the principal called him and congratulated him and his teammates praised him.

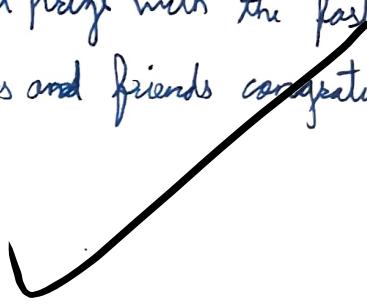

8.

Mohan was a 18 year old boy studying in class 12th and was preparing for his NDA examination. He studied hard and was able to clear the written exam and started preparing for SSB. He went on runs to stay fit, he read newspapers and watched news to increase his general knowledge. His family helped and supported him all the time. He booked a train 2 days in advance as the trains were getting delayed due to fog. He said goodbye to his family at the railway station. He was able to clear his SSB and his family was proud of him.

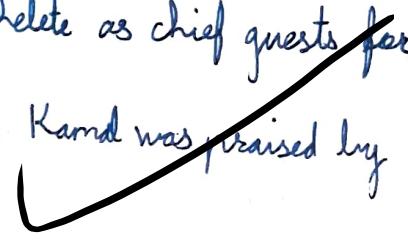

9.

Vaibhav was a 23 year old college student studying in Delhi. He was the captain of the basketball team. When his school hosted a marathon he entered his name. He started preparing for it and working hard to perform well. He would exercise every evening and went for runs in the morning and evening to increase his stamina. On the day of the competition he gave his best and won the first prize with the fastest time. He was proud of himself and his classmates and friends congratulated him.

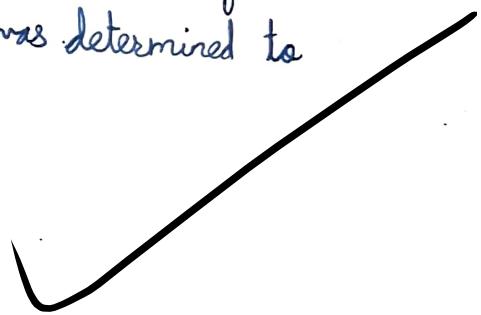

10.

Kamal was a 23 year old college student in Delhi. As he was the ~~college~~ Head boy, the principal gave him the task of organising a sports and culture fest. He made different teams for different tasks and coordinated with the Head girl. He prepared the ground where the event would be held and prepared invitations for the guests. He and various teams organised various sports events, cultural dances, singing shows etc. He invited, and was able to get a famous celebrity and an olympic athlete as chief guests for the event. The event was a huge success and Kamal was praised by his ~~colleagues~~ classmates and teachers.

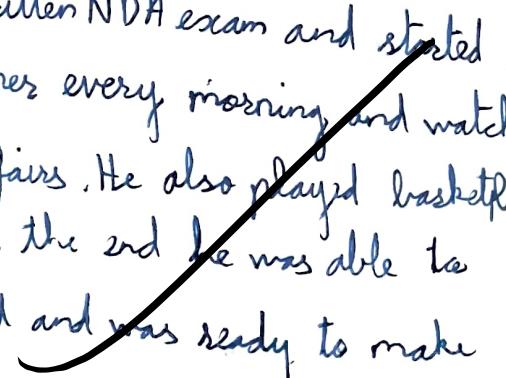

11.

Balram was a 27 year old social worker in Meerut. He noticed many problems and issues in his community and sought to eradicate them. To make his region clean, he started a awareness campaign and organised a cleanliness drive and also launched a campaign on social media with the help of volunteers. To uplift the poor people he started a charity and worked hard and urged people to donate. Because of all his good work, during the elections he was elected as a MLA and was determined to improve his region even further

12.

Archit was a 17 year old boy studying in 12th class. He was a NCC cadet and it was his dream to joined the armed forces. He worked hard towards his goal and was motivated by his father who also an officer and had been awarded a gallantry medal. Archit studied with dedication and passed his written NDA exam and started preparing for SSB. He read the newspaper every morning and watched the news to keep up with the current affairs. He also played basketball and went for runs in order to stay fit. In the end he was able to clear his SSB and made his parents proud and was ready to make his country proud.
